About Us

“Navigating a complex legal system takes knowledge, experience & skill.”

Equi Corp Associates (“ECA”) is a multispecialty law firm based in Noida, Delhi-NCR, India started in 2012 for providing affordable access to legal counsel benefitting start-ups, small and growing businesses, social business enterprises, impact investors and non-profit organizations. ECA boutique service offerings are primarily at the intersection of start-up, sustainable development, social enterprise and investment sectors, advising them about legal aspects involved in modern markets in order to keep our clients in pace with the dynamic competitive environment. ECA is instrumental in advising various social enterprises and startups in setting up business in India. ECA not only have some of the best legal minds, but the best business minds too: lawyers are intimately familiar with the business environment and know the emerging risks and opportunities of their industries and practice groups.

ECA is also effective in providing match making partner/locating strategic alliance, follow up and representation with Government of India or any other incidental work related to investment or legal guidance in India.

One stop legal boutique with service levels at par with international law firms. Our respected clients - from individuals to small businesses to Fortune 500 companies -- turn to us for trusted legal counsel. Full service delivery is achieved by synergies of subject matter expertise of our in-house Lawyers, Chartered Accountants & Company Secretaries. We advise and assist NRI's/PIO's, Foreign Investors and Indian entrepreneurs with legal services that enables them to compete with best in world in the modern economy characterised by technology based, venture capital funded, futuristic businesses governed by complex and ever evolving legal and statutory framework.
